

Club di Torino

Programme for Expo 2015

The Soroptimist Club Torino's programme for Expo 2015 is focused on food safety and involves one of our centres of excellence : the **Istituto Zooprofilattico Sperimentale** del Piemonte, Liguria e Valle d'Aosta directed by Dr. Maria Caramelli, with its national reference laboratories. We have planned a private visit to the Institute, followed by a guided tour of the city centre in the second part of the day.

In details:

- 09:00h Departure from Milan with Frecciarossa train (as of today's timetable)
- 10:00h Arrival in Turin
Private bus transfer to IZS
- 10:30 -11:30h Private visit of the Institute
- 11:30 – 11:45h Coffee break
- 11:45 -12:30h A talk about
Taste not waste and be safe! Let's learn to read food labels
coordinated by Soroptimist Club Torino
