Permanent Projects

"L'ALTRA META' DEL CIELO..
THE OTHER HALF OF THE SKY"

Aim: fighting the violence against women

To this purpose, our club has been paying the rent for a secret schelter homing abused women. Help and legal assistance are also provided to them and their children until a permanent solution is figured out. Moreover a sewing course has been organized to help them earning their living.

New Projects

PRISON OF BOLLATE

Aim : helping convicted women finding their place in society after release.

Having repeatedly visited the prison, we have decided to give a library to the women's section, complete with furniture, TV set, bookshelves and books. This way that they can meet to read, learn, and study different subjects such health, education, culture…. etc

PORCOSPINI-HEDGEHOGS

http://www.porcospiniproject.eu

Aim: empowering children and families against sexual child abuse and violence.

To this purpose, we are supporting Porcospini seminars targeting fourth grade primary school children in our town. One of our sisters, Irene, teacher, already held a seminar in her class.

Hedgehogs project has the financial support from the Daphne III Programme of the European Union

fight violence against women, girls and children

New Projects

The “Hedgehogs” project addresses children and parents and aims at the creation and development of an European good practice for primary prevention in the field of child sexual abuse. The objective is to define a strategic management of risk situations centred on the most fragile and exposed subjects, i.e. children.
