

Children's profile at RUWON Star Children's Home (4th July, 2017)

Isha Gurung

School: Mount Everest English School

Age: 6 years

Date of Birth: 2068/1/16 (29th April 2011)

Class (Grade): L.K.G (Lower Kindergarten)

Likes: Play, watch TV

Aim: Doctor

Health condition: Healthy

Family background: She has a mother but she is totally suffering from mental problem. Isha born with the rape case so no one knows who her father, even her mother does not know. We think because of the rape incident she is imbalanced mentally. The grandmother was taking care of Isha but she is very old and also suffering from uncountable disease. When we met Isha and her grandmother they were in a very old tent and her grandmother used to beg on the street to feed her and oneself. Isha has a maternal uncle ime who is a drunkard man. Sometime he used to come in the tent and used to beat Isha and the grandmother and took the money and things which she begs.

Expectations: As she is quite young, she doesn't have a lot of expectations from RUWON. But she thinks it's important to get good care, love and affection. She feels she receives a lot of love and attention because she is the smallest, and has a chance to play more. She likes the house, to play, to eat and going to school.

Improvement in education: She had the problem in knowing the alphabets but now she has been able to recognize the alphabets. But in the case of education she has the problem of memory. She can forget very easily and fast. We are supporting her very actively.

Sabina Gautam

School: Joseph High School

Age: 12

Date of Birth: 2061/01/29 (11th May 2004)

Class (Grade): 5

Likes: Dancing, Playing and watching TV

Aim: Staff Nurse

Health Condition: She has the problem in head and eyes (Sometime)

Family background: Her father is deceased and her mother has remarried. After the new marriage the mother left her, her elder sister and her two brothers with their grandfather. The grandfather is quite older and his economic and physical condition is very poor, he does not earn enough to pay for basic expenses. Her 3 siblings are with the grandfather and she is with us since the establishment of our home.

Expectations: She wants to get the quality education which can help her in fulfilling her dream to be a doctor. She likes everything here, mostly reading and dancing. She's good at running, skipping and dance.

Improvement in education: Her weak points are Cambridge and Maths. She works towards improving these areas when she studies.

Sabina says that she likes Nepali and Social in school.

Samikshaya Ghimire

School: Joseph High School

Class (Grade) : 8

Age: 15

Date of Birth: 2060/3/12 (26th June 2003)

Likes: Dancing

Aim: Social Worker

Health condition: No health problems

Family background: Her father is deceased and her mother is a single mother with very high poverty. She herself works as a domestic worker in other houses. She has the responsibilities of her two sons so it was very hard for her to take care the daughter as well. Because of the poor family background her relatives also did not make any concern on Samikshaya.

Expectation from RUWON: She wants to finish her education in a proper way. She wants to be established in a social sector and be part of RUWON work.

Improvement in education: She is weak in Science and Math and focuses on these areas in her studies. She likes to study. Her education is improving day by day and scoring the good results.

Anjali Budha

School: Mount Everest English School

Class (Grade): 4

Age: 10 years

Date of Birth: 2065/11/15 (26th February 2009)

Likes: Drawing, writing and reading new books

Aim: Math Teacher

Health condition: She is healthy

Family background: She has lost her father and mother. Before coming to us she had been living with her sister brother and sister in-law. She was welcome to live there by her sister in law but her brother rejected this arrangement and verbally and psychologically abused her so many times. When she came here, she is very happy and she is one of the honest girls in our home.

Expectation from RUWON: She has been here for 2.5 years now and she likes everything. She wants to finish her education in a good environment. She wants a homely environment and attentive care. She is the first girl in her class and her study is very good.

She likes to study and play as well as she loves to be neat and clean.

Improvement in education: She is good in study. She takes care of the younger sister's study here in home and helps them to write the homework.

Sima Khatri

School: Mount Everest English School

Class (Grade): Two

Age: 11

Date of Birth: 2064/3/27 (11th July 2007)

Likes: Dancing, Playing

Aim: Teacher

Health condition: No health problems

Family background: She has lost her father due to the HIV Aids. Her mother is also affected and is taking the medicine (She is in last stage). Before coming to us Sima was staying with her brother and his wife. Her brother and his wife rejected her and verbally and psychologically abused many times. The district child welfare committee recommends her and requests us to keep her with us. After the research we welcome her in the children's home.

Improvement in Education: She is weak in English and Math. Also she is from the Far Western Region, her language is different than us and it is hard to understand. We are spending more time with her and trying to make familiar. For her education, she has been taking the support from extra tuition teacher and also of her friends and trying to solve the problem on the subjects needed for her.

Expectation from RUWON: Since she is new, she wants the love and care from the home.

Sajina Tamang, Rumba

School: Mount Everest English School

Class (Grade) : 5

Age: 14

Date of Birth: 2060/6/2 (19th Sept. 2003)

Likes: Singing and Watching TV

Aim: Social Worker

Health condition: Good health condition

Family Background: Her father has died and her mother has eloped with the next person. She was left alone then her aunt took her. The economic condition of her aunt is not good and even she has her children. Due to her poverty, she has been sent to this children home. She can remember that she and her mother were crying a lot when her father died.

Expectations: To receive a better education in a homely environment, to fulfill her dream of becoming a doctor and serve the RUWON in her future. She likes everything here at RUWON.

Improvements in Education: She has got some problems with her memory. She forgets very quickly. She has problems in her English and math. She is getting support for these two specific subjects. Nepali is her favorite subject.

Smriti Tamang (LatonTamang)

School: Mount Everest English School

Class (Grade): 1

Age: 12

Date of Birth: 2062/3/11 (25th June 2005)

Likes: Dancing and singing

Aim: Nepal Police and singer

Health condition: She was suffering from malnutrition. She has been provided with a good balanced diet and been given proper care from the RUWON Members and now she is very fine and healthy.

Family Background: Both her father and mother is dead. She had got difficulties in understanding the Nepalese language. But now she is okay and speaking and understanding Nepali is good.

Expectation: Love, care and proper guidance from the home.

She likes to sing, play the game memory and to play with balloons and dolls.

Improvement in Education: She had got problems with speaking as well. She could not read and write letters properly when she came first time. She had started her educational career from Nursery class for getting a better education. Now her education is very good.

She loves Nepali and English is hard for her. In school she also likes to play to read and also play Memory game.

Samjhana Chaudhary

School: Mount Everest English School

Class (Grade): 9

Age: 14

Date of Birth: 2060/07/08 (25th October 2003)

Likes: Reading new books and Playing

Aim: Teacher

Health condition: No health problems

Family Background: She has lost both her parents and had been staying with her two brothers and three sisters. They are also young and without any income. Her family background is very poor. She is staying with us for 4 years and continuing her education.

Expectation from RUWON: She wants to get the proper education which could fulfill her dreams of becoming a teacher and serves the marginalized communities in Nepal through RUWON Nepal. She likes everything here. Mostly she likes reading books and writings much.

Improvement in education: She is shy in nature and she has got the problem in science. She is taking the help from some sincere friends and extra tuition teachers support for that. She has been working hard to achieve the good marks in school and her hard works is leading her towards the success. She was a failing students when she came here and now she is the first student in her class. Her favorite subject in school is Math.

Dipisha Bishwokarma

School: Mount Everest English School

Class(Grade) : 4

Age: 10

Date of Birth: 2065/06/24 (10th October 2008)

Likes: Drawing, Dancing and Playing

Aim: Dentist

Health Condition: She has the problem licking urine unknowingly.

Family background: Her father left her and her brother, whereas her mother eloped with the next person taking her elder sister with her. Since then her brother had been staying in a home at Pokhara and she in a RUWON Star Children's Home. She can remember that her mother used to beat her father because of his drinking problem and that's why her mother left him.

Expectation from RUWON: She wants to complete her education getting good marks and wants to help RUWON in near future. She wants to be a good dentist. At home she likes reading and writing. She likes the family members.

Improvement in education: She feels that Social is a hard subject and math is easy for her. Her education is very good. She is the first student in her class in School.

Jeevani Basyal

School: Mount Everest English School

Class (Grade): 4

Age: 14

Date of Birth: 2062/6/25 (11th October 2005)

Likes: Reading books, and playing different games

Aim: Social Worker

Health condition: No health problems

Family background: She has got two sisters and her mother died when she was very small. Similarly, her father often drinks alcohol and do not take proper care of her and her sisters. She tells that she and her sisters had to beg for money on the street to survive them and even for her father. In the mornings the father said he was going to take a walk but ended up drinking alcohol. She and her sisters were waiting for him and sometimes they had to wait all night before he was back. Sometimes their stepbrother fed them but often they had to prepare the food themselves. The father often beat her and her sisters and asked them for money. Jeevani says that her sisters are in Mustang now to work and shelled their life.

Expectation from RUWON: She wants to live in a peaceful and homely environment. She wants to get a better education and support from RUWON Nepal and fulfill her dreams. When she grew up she wants to contribute for RUWON Nepal.

She likes everything at RUWON. She wants to read and play.

Improvement in education status: She has got problems in reading English. Her difficult subject is Nepali and Science. In extra classes she is focusing more for her difficult subjects. She is improving in her education slowly but a lot.

She likes everything at school, especially her friends and teachers.

Ambika Batala

School: Shree Bal Uddhar Secondary School

Class (Grade) : 11

Age: 17

Date of Birth: 2057/1/3 (16th April 2000)

Likes: Visiting new place, Singing, and drawing

Aim: Social teacher

Health condition: No health problems

Family background: She has got grandparents, and two sisters. Her father is dead and her mother remarried with other man. Her family is very poor. So her grandparents could not take care her, so she is staying with us.

Improvement in education: Her difficult subject is math. She is struggling hard in understanding math and is taking help from her sincere friends and also focusing this in the extra tuition class. Her favorite subject is science. This year she has got success in her SEE (School Education Examination). Now she is starting her collage life and doing hard work on her study.

Expectation from RUWON: She wants to live in a peaceful and homely environment. She wants to get a good education and support from RUWON and fulfill her dreams. What she likes the most is the friendly environment.

Saraswoti Pahadi

Expectation from RUWON: Since she is small, she wants the love and care from the home.

Saraswati Khatri

School: Mount Everest English School

Class (Grade): UKG (Upper Kindergarten)

Age: 10

Date of Birth: 2065/6/21 (7th October 2008)

Likes: Dance and Watch TV

Aim: Dance Teacher

Health condition: No health problems

Family background: She has lost her father due to the HIV Aids. Her mother is also affected and is taking the medicine (She is in last stage). Before coming to us Sima was staying with her brother and his wife. Her brother and his wife rejected her and verbally and psychologically abused many times. The district child welfare committee recommends her and requests us to keep her with us. After the research we welcome her in the children's home.

Improvement in Education: She is weak in English, Math and Science. Also she is from the Far Western Region, her language is different than us and it is hard to understanding. We are spending more time with her and trying to make familiar. For her education, she has been taking the support from extra tuition teacher and also of her friends and trying to solve the problem on the subjects needed for her.

Expectation from RUWON: Since she is small and new, she wants the love and care from the home.

Temporary living child

Rachana Parajuli

School: Mount Everest English School

Class (Grade) : 1

Age: 8 years

Home address: Sindhupalchock

Aim: Teacher

Health Condition: Good

Her situation: Her father remarried and went in Abroad with his new wife and became out of contact with his family. Her mother was cook in our home since 2 years and before 3 months she returned her village because after earthquake of 2015 her house in the village was totally damaged and now some of the international organization and Nepal government is providing the grants to rebuild the houses so she left the job here and went back to her village, hoping to get some support to rebuilt her house. During her job time here in our children's home, she and her daughter were staying in the home so Rachana is studying in the same school with our children. Now she returns back to her village and she requested us to keep her daughter with us for this academic year. So we consider her staying here.
